Groundbreaking Ceremony for Stone Ridge Park-and- Ride Lot

***Loudoun County, NVTC and VDOT To Mark
Construction of First Transform 66 Multimodal
Project***

The Members of the Loudoun County Board of Supervisors, the Northern Virginia Transportation Commission (NVTC), and representatives of the Virginia Department of Transportation are among those scheduled to attend a groundbreaking ceremony to mark the start of construction of a 300-space park-and-ride lot in the Stone Ridge development in Aldie. The lot will anchor future express bus service from Aldie to the McPherson Square Metrorail station in Washington, D.C.

The project is the first under the Transform I-66 Multimodal Program, which is designed to improve travel choices and increase travel-time reliability for drivers and transit riders alike. NVTC is the lead agency for the multimodal program, which aims to improve transit service and enhance transportation connections along I-66.

Loudoun County has awarded a construction contract in the amount of \$3.372 million to Phillips Construction, LLC for the project, which is expected to be completed by July

NVTC works to ensure that businesses and residents are served by a high capacity, high quality network of transit systems that allows the region to thrive. It funds and promotes transit in the counties of Arlington, Fairfax and Loudoun and the cities of Alexandria, Fairfax and Falls Church. NVTC supports five local bus systems (ART, CUE, DASH, Fairfax Connector, Loudoun County Transit), WMATA (Metrorail/Metrobus) and the Virginia Railway Express. Visit www.NoVaTransit.org or call 703-524-3322 to learn more.
