

## Public Hearing on I-66 Commuter Choice Fiscal Year 2018 Program

The Northern Virginia Transportation Commission (NVTC) seeks public input on transit and roadway projects submitted for fiscal year 2018 funding consideration as part of the I-66 Commuter Choice program. NVTC will select projects in May and present them to the Commonwealth Transportation Board in June for funding using revenues from tolling on I-66 inside the Beltway. The principal objective of I-66 Commuter Choice is to select projects that meet specific improvement goals: (1) move more people, (2) enhance transportation connectivity, (3) improve transit service, (4) reduce roadway congestion, and (5) increase travel options. The improvement goals are reasonably expected to benefit the users of the portion of I-66 between I-495 (Capital Beltway) and U.S. Route 29 in the Rosslyn area of Arlington County.

NVTC urges the public to learn about the project during an open house and comment on them at a public hearing on **March 20 and April 5, 2018**. The March 20 hearing will be held at the Greater Reston Chamber of Commerce, 1886 Metro Center Drive, Suite 230, Reston, Virginia. The April 5 hearing will take place in the Navy League Building, 2300 Wilson Blvd., First Floor Conference Room, Arlington, Virginia. The open house will begin at 6:00 p.m. followed by a presentation at 7:00 p.m. The public hearing will immediately follow the presentation.
